## Antioch Firemen Help Save Cabaret

ANTIOCH'S FIRE DEPARTMENT performed, in fire fighting lingo, "a good stop" last Friday morning when they put out a spectacular blaze at

the Harbor Cabaret restaurant on Bluff Lake. The damage was heavy, but was confined to the second story of the building. (Photo by Paul Maplethorpe.)

## CLC Students Plan Hilarious Contests

The College of Lake County presents its version of "Monty Python's Flying Circus Twit of the Year Contest" on Saturday, Oct. 16, at 8 p.m.

The students will compete in tremendously difficult tasks such as jumping over a box of matches, reciting tongue-twisters and racing around a flag pole. This fun-filled night will also be highlighted with appearances by political candidates of Lake County.

Tickets cost \$1 at the door, or contact Joy Anderson 362-7387, or Ed Snyder, CLC, 223-6601, for advance tickets.

Proceeds will go to the Lake County Council for Children with Learning Disabilities.

PULITZER PRIZE WINNER David Halberstam will discuss the upcoming presidential election at the College of Lake County's annual symposium, "The Elections," on Wednesday, Oct. 13, at 8 p.m. in the Blue Lecture Hall.

Halberstam is the author of "The Best and the Brightest," a political analysis and social criticism on the Kennedy and Johnson administrations.

Also participating in the symposium will be conservative columnist Russell Kirk.

Read Shakespeare and the Bible. It is surprising how this improves learning.

## Swine Flu Shots Begin Oct. 15

Swine flu vaccinations  
 will begin Oct. 15 for  
 many Lake County resi-  
 dents.

Recipients of the ini-  
 tial inoculation phase  
 will be protected a-  
 gainst both the swine  
 and Victoria flu vari-  
 eties. The former  
 caused an epidemic in  
 1918; the latter was  
 widespread in 1975.

Clinics will first in-  
 noculate "high risk"

individuals: people over  
 60 years of age and  
 those 3 through 59 with  
 chronic health prob-  
 lems.

If you have questions  
 concerning the vaccine  
 or your eligibility to  
 receive it, contact your  
 physician.

And be sure to watch  
 next week's Antioch  
 News for times, dates  
 and sites of the clinics.

### Notice To Village Residents

The Village of Antioch Water Department  
 will flush all water hydrants  
 between the hours of 10:00 P.M. and  
 6:00 A.M. for a period of approxi-  
 mately one month. This may cause the  
 water system to be temporarily  
 infiltrated with rust.

The board approved the purchase of a used road grader for \$2,600.

At the recommendation of the civic activities committee, the trustees gave permission for a tag day by the Scarlet Knights Drum and Bugle Corps of Gurnee. Trustee William Seemann said that Antioch girls are members of the organization.

## TRIVIA

Strange Stickup  
 A man walked into the dentist's office with a towel wrapped around his jaw and knotted on top of his head; it covered most of his face. "My word," laughed the elderly dentist. "I haven't seen anyone with a toothache wearing a getup like that for 40 years." "What toothache," was the garbled reply, "this is a stickup."

Varied Professions  
 A woman marrying her fourth husband was greeted by an old friend who remembered the first three: "The first was a banker, the second an actor, the third a minister — and now you've married an undertaker. How is it that you've picked men in such varied professions?" "One for the money, two for the show," replied the bride, "three to get ready...."

Brown Nose  
 Then there was the cannibal who was expelled from school when they caught him buttering up the teacher.

## Editorial Comment

## Howlett Has Good Suggestion

It's too bad that we usually wait till people die before we name things after them.

But Secretary of State Mike Howlett has a good idea when he says the Indiana Dunes National Lakeshore Park should be called Douglas Dunes.

"It would be a fitting memorial to Senator Paul Douglas' tireless efforts to preserve that beautiful natural sanctuary for the people," Howlett said.

"Paul Douglas was an inspiration to all Illinois citizens but especially to those of us holding public office. His high ethical standards and his battles for the people and against injustice made him the conscience of the Senate. It was an honor to be able to serve as his campaign manager in 1954 and to be numbered among his friends. My political career would not have been possible without Senator Douglas' help," Howlett added.

"I call upon Congress to re-name the Dunes Park to Douglas Dunes," he said.

**The Town Crier**

Our friends at the Burlington Standard-Press summed it up rather well last week, when they said:

"Every 4 years, the country undertakes a search for the perfect candidate for president."

"But it's like the perennial search women carry on for the perfect husband; or men for the perfect shave."

"There is no such thing!"

**ABOUT 250 PEOPLE** had a delightful time at the Antioch Moose Lodge last Saturday when former Chicago Bears stars, Bill George and Ronnie Bull, were the guests at a Sportsmen's Night.

George, an eight-time all-pro linebacker before he retired 10 years ago, is now a member of football's Hall of Fame. Those attending were tremendously impressed by his sense of humor. He left them laughing and laughing.

Bull, a ball-carrier who was pro football's rookie of the year in 1962, also displayed a sparkling personality.

Bull encouraged parents, especially mothers, to let their sons play football. He said he has met a lot of 250-pounders whose mothers wouldn't let them play, for fear they'd get hurt.

"If you get hurt, you get hurt. It's fate," Bull said. "But the rewards of being a football star are well worth the risk."

**'The Good Old Days'**

Before our nation's bicentennial year is over, let's take a brief look at colonial America's efforts to keep healthy. What were the health problems in this country 200 years ago?

The begin with, on the eve of the American Revolution, there were 2½ million people in the Colonies. The average life expectancy for men was 34.5 years, and for women 36.5 years.

Half of those who died were under 10 years old, and infectious diseases were one of the chief causes of death. Smallpox, yellow fever, tuberculosis, cholera, dysentery, typhoid, diphtheria, measles and mumps were common, and there was as much malaria in New England as on the Southern plantations.

In 1721, nearly half the population of Boston caught smallpox, and more than seven percent died. And in Philadelphia, in 1793, 10 percent of the population died from yellow fever.

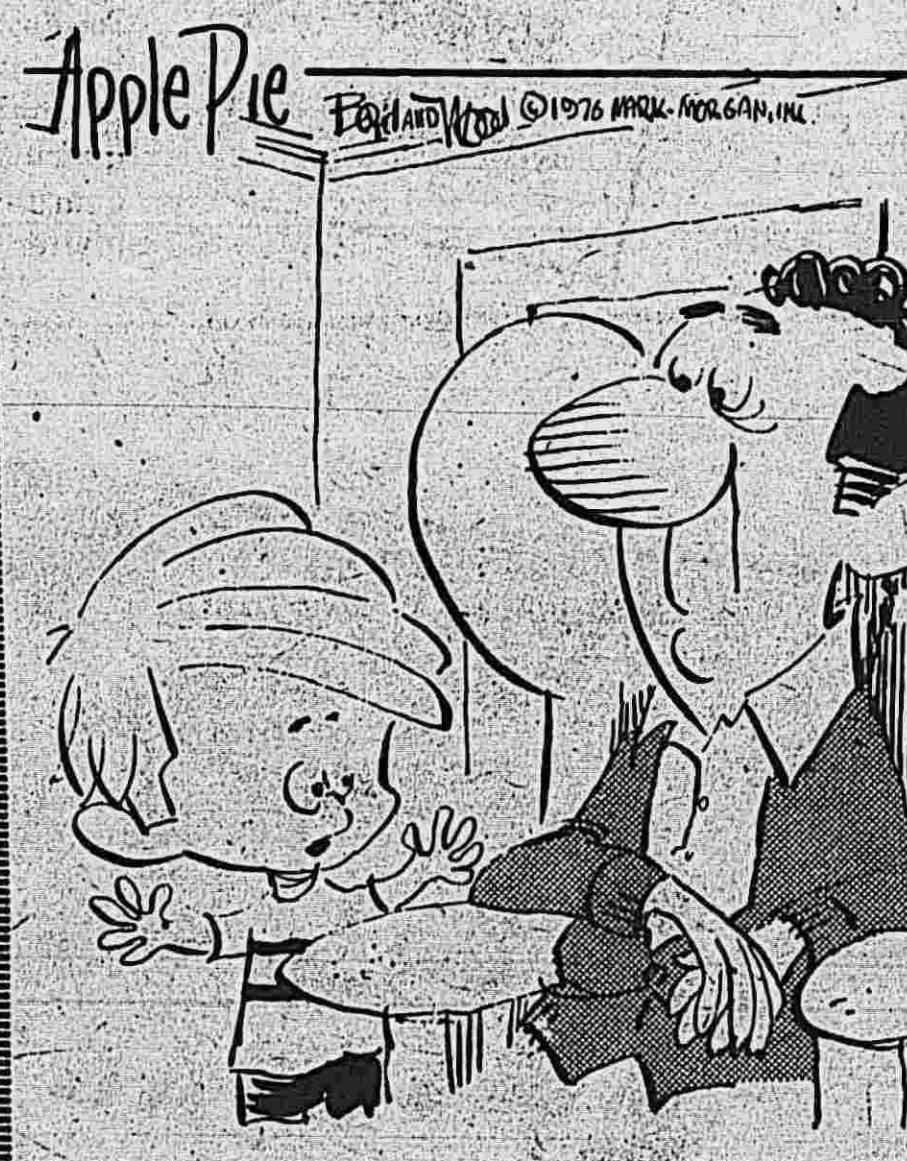

Scurvy, and scabies were common among the poor. Body lice were everywhere, and so was the disease they carried... typhus fever. Many women died in childbirth, due to poor obstetrics, although the death rate among women served by midwives was lower than that of women served by physicians.

Only 200 doctors held degrees from medical schools.

There was little they could do for patients, and their cures were often worse than the diseases. Purgings and blood-letting were common treatment. Surgery was performed without anesthesia, thus the best surgeons were the ones who could cut, hack and saw the fastest. They were aided by strong assistants to hold the patient down.

It wasn't until the 19th century that the stethoscope, clinical thermometer and the hypodermic syringe were developed, and the use of ether as an anesthetic was demonstrated.

Aren't you glad you didn't live in "the good old days."

"But If It's 'Swine Flu', Howcome  
We Have To Take The Shots?"

I'm Too Busy  
To Have  
Fun

By JERRY PFARR

Darn it, nothing seems to work out the way I plan it.

On Monday I had promised to attend the season opening meeting of the Antioch Woman's Club. (I was invited, honest.) But newspaper deadline pressures kept me from being there.

If you analyze those three words you will see why 67 percent of me wanted to go.

Antioch, I like it.

Woman, I like it.

Club, I'd better look up that word in my dictionary. One of Webster's definitions is "a group of persons associated for a common purpose."

I'LL BUY that definition. I think people who can be contributing members of a worthwhile organization are fortunate. But I just don't seem to have the time.

Here in Antioch, I am a member of the Rotary Club, the Lions Club and (as of Sunday) the Moose Club.

But I've been too busy working to be a good Rotarian or a good Lion. They do wonderful things for the community, and I sure hope they don't kick me out before I'm able to make some contributions, too.

IN PAST YEARS, when I lived in Wisconsin, I was a member of the Elks Club, the Eagles Club, the Knights of Columbus, and the Kenosha Country Club.

(Sounds like an obituary. Maybe I'm clubbing myself to death.)

My proudest association, believe it or not, dates back to my teens, when I was a member of the Cobras. We were the meanest, toughest sons-of-a-gun on the northside of Keshena. We even lived on the wrong side of the tracks. Every Halloween we tipped over garbage cans.

I'll never forget the Cobras. They were a wonderful bunch of Sweat-Hogs.

OUR NATION'S bicentennial celebration is drawing to a close, but we have just received another book from the American Revolution Bicentennial Administration.

It's about the size of a volume of Funk & Wagnall's encyclopedia ... about 400 pages ... and is called a Comprehensive Calendar of Bicentennial Events. (Just in case you wondered where your tax money has been going.)

IN THE EVENT you have nothing else to do, this two-pound manuscript lists all the exciting bicentennial activities yet to come.

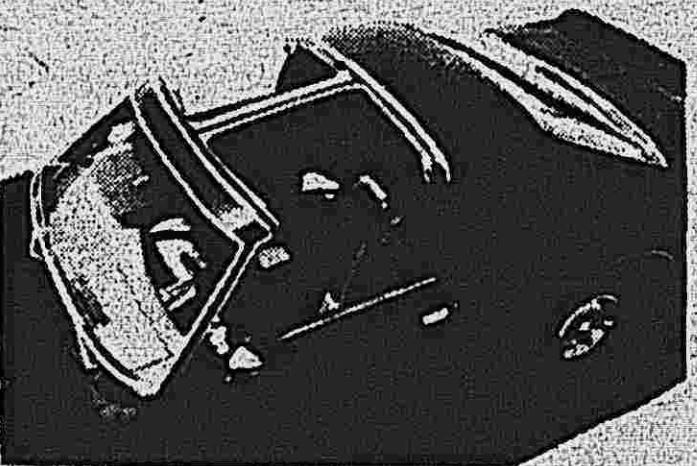

For example, in Dothan, Ala., from Oct. 18 to

Antioch is soon to have an aviation field. The local pioneers of the air are Vincent Dupre and S. Boyer Nelson, who are the owners of a new Sopwith-Camel scout plane which is being assembled here and will be ready for the air in a few days after the motor arrives and is placed in the machine.

A beautiful new electric sign adorns the front of the new building of the State Bank of Antioch. The new sign which was erected last week adds much to the progressive appearance of this modern banking institution.

Oct. 23, they are holding a National Peanut Festival. Admission is only \$2. Bring your own peanuts.

In Kingman, Ariz., the local bicentennial group is planning an "Andy Devine Birthday Celebration." If you don't remember Andy Devine, you're too young to appreciate our country's heritage anyway.

In Los Angeles, they're celebrating the bicentennial with the 1976 Southwest Karate Championship. Super idea. If the Minutemen had been schooled in karate they could have wiped out the Redcoats without firing a bullet. Our nation's colors could have been red, white and blue ... and black belt.

But Manteca, Calif., is going to top that one later this month when it holds a bicentennial pumpkin festival, complete with a pumpkin rolling contest.

Lots of American communities are going to bury time capsules. (Muhammed Ali still hasn't announced whether he's going to climb into one of them.)

The Wheat Ridge, Colo., bicentennial commission is planning a soap making and butter churning demonstration, and Central City, Colo., is planning Tommy Knocker Day. (Our country has come a long way in 200 years.)

Grand Junction, Colo., will hold a Polish New Year Celebration on Nov. 13. (Well, when did you expect the Polish people to celebrate New Year's ... on Jan. 1?)

THERE ARE A LOT of excellent bicentennial tributes, such as we've had in Antioch, but Harrison County, Iowa, may have topped us with its "World Championship Goose Calling Contest."

That tremor you just felt was Benjamin Franklin and Thomas Jefferson rolling over in their graves.

## ABC's of Travel

Domestic and International

BARB CORBIN

I HAVE mentioned this before; however we keep getting calls on it. If you are planning to fly with your pet - please follow these rules for the safety of your dog and your own peace of mind.

This winter a new set of laws will take effect to set better safety standards for all pets traveling by airplane but in the meantime follow these rules which can help keep your animal comfortable.

1. If your pet is small, it's best to carry it with you in the cabin in a container compact enough to fit under the seat. Otherwise, the animal will be carried in the luggage compartment of the plane as "excess baggage."

2. Make arrangements for this type of travel well in advance of your trip, if possible. An early morning or late evening flight, when less heat will build up in the luggage area of the plane, is your best choice.

3. Obtain a sturdy, well-ventilated crate (which most airlines sell or rent). Don't use flimsy cardboard travel containers that some pet shops sell. If possible, get the crate early, and give your pet a day or two to get used to it.

4. On the day of the trip, put in a favorite toy or other implement.

5. Veterinarians suggest that pets not be fed closer than six hours to flight time, except a little water.

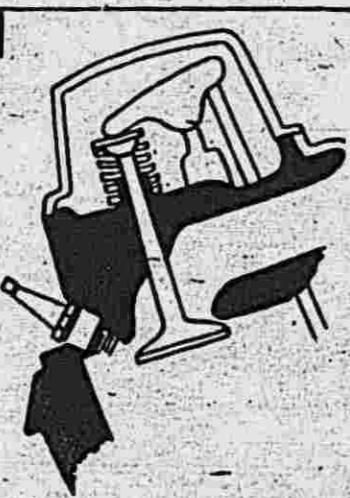

6. Finally, remember to print your name, address, phone number and destination on the container.

Dogs can get lost just like luggage so please follow the entire set of rules for everyone's comfort - the pets and your own peace of mind. Happy traveling little one.

## ACHSEA Bests Mark

This week the Antioch Community High School Education Association (ACHSEA) reached the 100 percent mark in its annual membership drive. This is the first time in the association's history that every faculty member joined both the local IEA and NEA.

Sue Gerasch, ACHSEA president, stated that this is quite an accomplishment because the teaching staff has grown to 82.

The goal of the organization, which works with the administration and the Board of Education, is to improve the educational standards at the school.

## 15 Schools in Antioch's Big Cross-Country Meet

The third annual Antioch Invitational cross-country meet will be held Saturday at Fox River Park in Wilmot.

Fifteen schools will send teams for the three races. Freshmen will run at 10 a.m., sophomores at 10:30 and the three-mile varsity race will begin at 11 a.m.

Among the teams competing against Antioch's Sequoils will be Salem Central, Burlington, Cary-Grove, Crystal Lake, Glenbrook South, Grant, Grayslake, Libertyville, Mundelein, Warren, Wauconda and Zion.

Trophies will be awarded to the two top teams in

each race and medals will be given to the first 15 individual runners in each race.

Antioch's runners lost 24-33 to Cary-Grove last week, but beat Jacobs 21-40.

Chuck Paulson was home first in the thru-team meet, with Dan Otten second and Bill Harland seventh.

Antioch's fourth and fifth finishers were sophomore Mark Biel and freshman Matt Firestone, who are improving with each race.

Antioch's varsity now has a 3-3 record in the Northwest Suburban Conference.

**STATE BANK SOFTBALL TROPHY** - Jack Wiech, left, and Dick Wolf, right, members of the State Bank of Antioch softball team, presented an impressive second-place trophy to Jack Fields, vice president of the State Bank, won during the World National 16-inch tournament for the United States Slowpitch Softball Association held in Racine, Wis. ## TRIVIA

**Farms Down**  
The number of farms in the U.S. totaled 2,888,480 during 1975, one per cent fewer than in 1974. The average farm size has increased 47 acres during the past decade. The 1975 average of 387 acres is 3 acres larger than 1974.

## Not Much

The Federal Energy Administration estimates that the energy derived from new technologies, including synthetic fuels, geothermal, and solar, will supply not more than five per cent of the nation's total energy needs by 1990.

## Rainbow Cause

A rainbow is caused by sunlight playing on water, usually rain, though mist from a waterfall or a garden sprinkler can create the same effect. The sun's rays are refracted, or bent, as they enter the water drops. The light is broken up into the colors of the solar spectrum. The rainbow actually forms a complete circle, but the bottom half is cut off by the horizon.

## Turkish Tulip

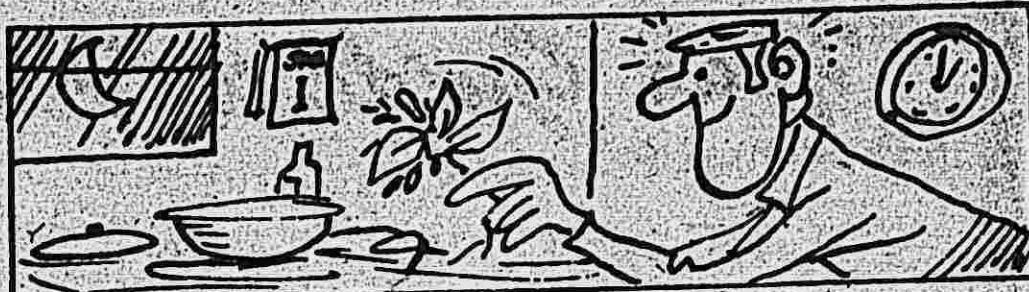

The word "tulip" comes from a Turkish word for turban. The spring flower was introduced to Holland, by way of Austria, in the latter part of the 16th century.

## Limited Life

Mixes have a limited shelf life, so buy often to assure a satisfactory product.

## Easy Removal

Stick a toothpick in a garlic clove before adding to a mixture. This makes the garlic easier to find and remove.

Some people believe that a green ivy leaf placed in water in a covered dish after dark on New Year's Eve and left until Twelfth Night will tell the future.

# Cyclists Pedal Many Miles To Help the Cancer Society

Mark Biel rode his bicycle 91 miles last Sunday while Andrew Dugenske pedaled for 84 miles.

They were just two of the 69 riders who helped make Antioch's 5th annual Bike-A-Thon a success.

The goal was to raise money for the American Cancer Society.

"ALL INDICATIONS ARE that it was a very successful Bike-A-Thon," said Pres Reckers, chairman of the event. "Our figures indicate that we raised more than \$5,000, but now it's up to the riders to get out and collect the pledges that their sponsors made."

Sponsors backed the riders by promising to pay certain amounts, perhaps anywhere from 10¢ to \$1. for each mile accomplished.

Many of the young cyclists covered 35, 42 and 49 miles, pedaling around the seven-mile route time after time.

REPRESENTING THE VILLAGE hall were Shirley Gutowski and Kathy Toft. Each rode seven miles and came in dripping wet as the Bike-A-Thon began at 8 a.m. in a foggy mist.

But the weather turned out well as the day progressed and Mark Biel and Andrew Dugenske kept "pushing each other" to see who could do the most.

Antioch firemen and Jaycees manned the checkpoints.

The riders started from Check Point No. 1 at the fire station. The Jaycees were on hand all day to check in the cyclists at two other points on the route, one on Tiffany Rd. and the other on Deep Lake Rd.

Reckers thanked the firemen and the Jaycees for their splendid cooperation.

The cyclists who turn in the most money from pledges will win new bicycles donated by the State Bank of Antioch, the Shoe Box, Four Squires clothing store and Antioch Bowling Lanes.

## Tree Lighting Ceremony Is Planned for Dec. 3

A community Christmas tree lighting ceremony will be held in Antioch on Friday, Dec. 3.

The Chamber of Commerce is planning the event along with the village parks department.

Grade school students are being encouraged to make home-made decorations for the trees located in front of the village hall.

Carolers, hot chocolate, and Santa Claus will complete the program.

Following the tree lighting, the parks department will provide a free children's film, enabling parents to shop during that time.

The tree lighting will replace the chamber's annual "Hospitality Night."

In addition to the tree lighting, the Chamber will bring Santa to town on Nov. 27 and sponsor two performances of "The Ransom of Red Chief" at the PM&I Theatre.

## Don't take old age sitting down!

Right now millions of Americans are being forced to sit back and rock their lives away. Simply because they're older. Stop and think about it!

It's going to happen to you. You're going to be "older" someday.

And you're going to have to face the same problems that exist today. Unless you start changing your attitudes about aging now. Get rid of your stereotypes.

Try and imagine what you'll be like. What you'll want to do.

For more information on what you can do, write: The National Council on the Aging, Inc. Box 28503, Washington, D.C. 20005.

CHECKING IN RIDERS at the fire station were members of the Antioch fire department. From left: Michelle Moser, Paul Maplethorpe, Wayne Parthun, Shirley Gutowski, Jimmy Quedenfeld, Kathy Toft and Fire Chief Tod Maplethorpe. Shirley and Kathy were dripping wet after riding the seven-mile route in a foggy mist.

THE ANTIQUE JAYCEES manned two of the checkpoints on the Bike-A-Thon route. The workers included Wally and Sonia Jaszkowski, Larry Meyer, Bill Groeninger, Linda Wenig, John Kapinos, Tim Mortensen, Nancy Kinas and John Christiansen.

## Huge Zion Hotel Gets Historical Recognition

The Zion Hotel, originally known as "Elijah Hospice," has been added to the National Park Service's "National Register of Historic Places," Conservation Director John McGuire has announced.

The remarkable old 350-room building, at 2561 Sheridan Rd., Zion, is believed to be the largest all-frame wooden structure in Illinois. It is well preserved and currently is a nursing and retirement home operated by American Medical Services (AMS).

Among the few alterations since its construction in 1902 has been the installation of the most modern fire detection system available today.

ZION HOTEL originally was built for "male members of families who had come ahead to build their own homes in this Boom Town," according to historic writings by the Christian Catholic Church and Dr. John Alexander Dowie which describe the community's founding in 1901.

Basically a three-story structure with four 4½-story towers, the building encloses a large courtyard and can be entered either through the courtyard or the main entrance on Sheridan Rd.

In addition to the unusual towers on each corner, its prominent features include two-story porches running the length of the west and south sides. The porches are enclosed along the ground floor and open on the second level. More than three million feet of lumber were used in the hotel's construction.

THE BUILDING WAS in continual use as either a transient or residential hotel until recent years when it was sold by the Christian Catholic Church to a Zion couple. At that time it was thoroughly renovated and utilized in part as a senior citizen and retirement facility. Later it was purchased by AMS and became entirely a nursing and retirement home.

In its heyday as a hotel, its accommodations were

impressive. Large dining rooms and lunch rooms handled up to 1,000 people. Its kitchen equipment, the most modern and best available, included a steam dishwasher capable of cleaning 5,000 dishes per hour, steam jacket cookers for soups, pot roasters, vegetable cookers, ovens that baked pastries for 5,000 at one time, and walk-in ice refrigerators.

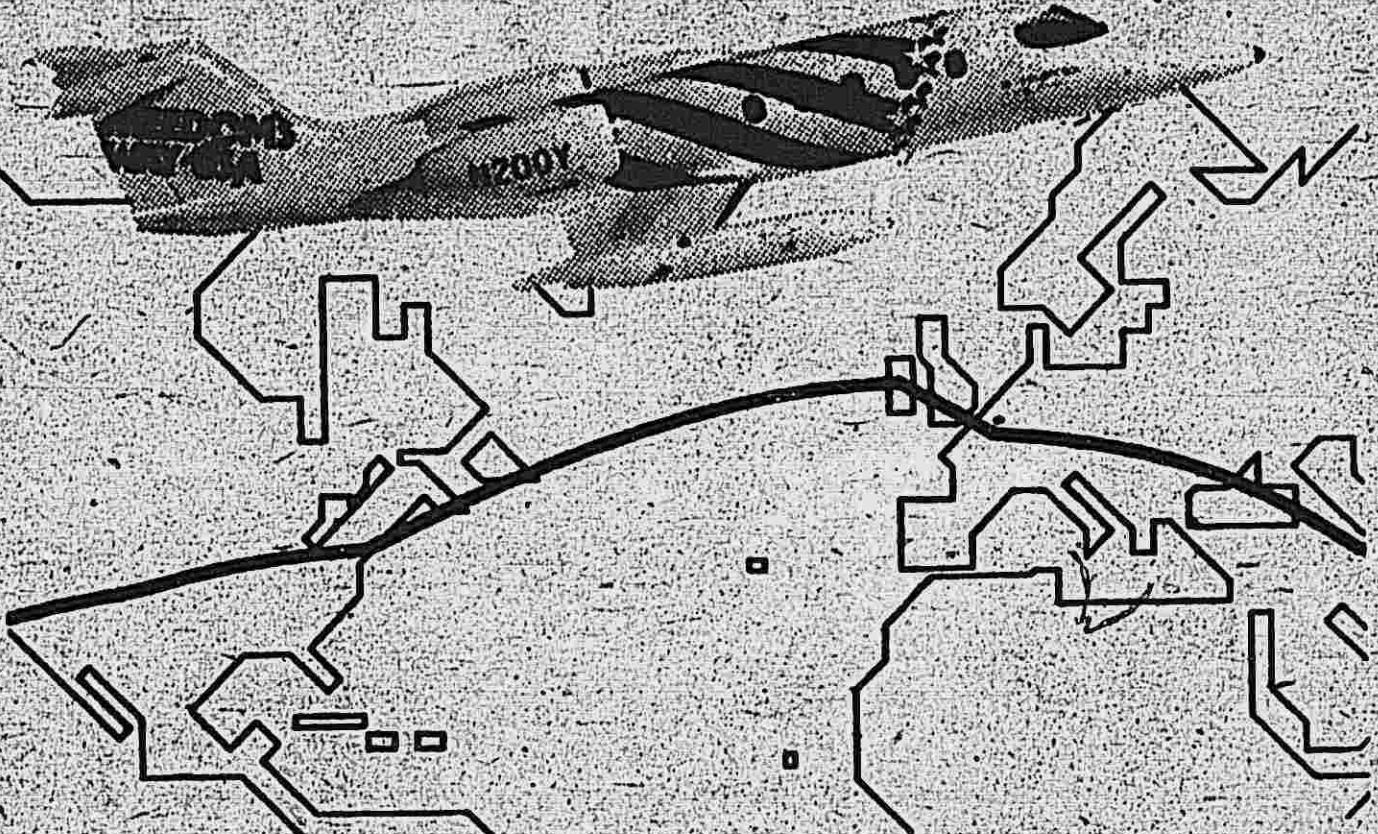

Completely carpeted guest rooms featured beautiful brass beds, full-length mirrored clothes cabinets, dresser, night stand, washstand with pitcher and bowl, and chairs.

DURING ITS PERIOD as a residential-transient hospice, it housed many of the Christian Catholic Church's officers, including the church's General Overseer, who lived there from 1907 to 1943.

A 54-inch, half-ton bell embellished the structure's bell tower over the main entrance for many years. From 1912 to 1943, it tolled a one-minute-prayer period at 9 a.m. and 9 p.m. daily. In 1943, the bell was removed and placed on a pedestal in the Christian Catholic Church.

Zion Hotel was approved for inclusion on the National Register after nomination by the director

## Arnold Palmer Sets a New Course Record

Golfing great Arnold Palmer recently took a three-day break in his crowded schedule to lend a hand to the nation's Bicentennial program—and set a new around-the-world speed record for business jets in the process.

Flying a Learjet 36 with three fellow airmen, Palmer circled the 22,985-mile global course in 57 hours and 26 minutes, knocking more than a full day from the former record.

The twin-engine Garrett turbofan-powered Learjet 36 carried a distinctive red, white and blue paint design featuring the official Bicentennial slogan "Freedom's Way—U.S.A." on its tail. At each of eight scheduled stops Palmer, a fully-rated Learjet captain, presented Bicentennial mementos to host dignitaries.

The flight began and ended in Denver, Colorado, site of the 38th Annual News Conference of the Aviation/Space Writers Association, under whose auspices the historic flight was made.

# Sequoits Sharp Against Cary-Grove

## Woodstock Is Next!

The beautiful month of October showered its golden sunshine on Antioch's football field last Saturday, and the Sequoits' fans basked in their team's 20-8 victory over Cary-Grove's Trojans.

That may sound a bit poetic, but that's exactly how it felt for Antioch.

Coach Roy Nelson's fine football team finally had a chance to show what it could accomplish.

It was Antioch's first win after three frustrating losses against tough opponents.

AH, BUT NOW the plot thickens. The Sequoits travel to Woodstock Friday for an 8 p.m. game against those tough Blue Streaks.

We've checked with the oddsmakers and Antioch will be a 6-point underdog. But after last Saturday's neat performance nobody will be surprised if the Sequoits upset Woodstock.

The Blue Streaks have a 4-0 record. They were almost upset by Stevenson last Saturday, but pulled the game from the flames and emerged with a 16-14 win.

Friday night's game ... Antioch at Woodstock ... could be one of the most interesting of the season for Sequoit fans.

LAST YEAR, WHEN Antioch was surprising everyone by carving out a 7-2 record, Woodstock was winning six of its nine games. Antioch upset Woodstock 20-14.

This year Antioch has a team full of ability, some outstanding seniors and many talented juniors. The juniors are getting better with every game and the Sequoits look as if they might be winners the rest of the season. They showed that in the 20-8 win over Cary-Grove.

Woodstock, meanwhile, has a big, tough team led by Ron Genot, a 6-4, 240-pound fullback. But Genot isn't unstoppable. He was held to 73 yards by Stevenson last week.

AGAINST CARY-GROVE, the Sequoits began the scoring with two minutes left in the second quarter when Wally Wallraf scored from one yard. The TE ended a 16-play, 80-yard drive and Al Moore's conversion kick gave Antioch a 7-0 half-time lead.

The Sequoits' second touchdown was set up when John Kakacek blocked a punt at the 14-yard line of Cary-Grove. Antioch recovered the ball at the eight and, two plays later, Moore carried in from two yards. He added his second conversion and the Sequoits held a 14-0 lead.

Antioch added to its scoring when Tim Huebner caught Brian Andrews' pass completing a 10-yard play in the fourth quarter.

Cary-Grove got a touchdown late in the game when Greg Johnson scored from a yard and Scott Mruk caught Curt Heidenreich's conversion pass.

Antioch outgained Cary-Grove, 249 yards to 180. The Sequoits got 186 of those yards on the ground and were led in rushing by Wallraf, who totaled 60 yards in 12 carries. Doug Schreiber gained 56

HIGH, THERE! - A Cary-Grove player leaps loftily to pick off a pass, but the Trojans were beaten by Antioch 20-8 in last Saturday's game here. Antioch players are Tim Huebner (86), Rick Dauck (64) and Pat Solar (57).

yards in 10 attempts.

Andrews, a junior, completed six of 11 passes for 63 yards and one touchdown.

The Trojans gained only 47 yards rushing, but senior quarterback Heidenreich, a 6-5, 190-pounder passed for 133 yards.

FOR ANTIOCH, Rosenbrock (also a junior) did some neat running as he gained 27 yards in four carries.

"The offense put it all together," said Coach

Taxes take bigger and bigger bites out of your income. They could be taking more than their fair share if you're self-employed or not covered by a pension plan. If you're a farmer or other self-employed worker, set aside 15 per cent of your earnings—up to \$7,500 annually—in tax-deferred Keogh HR-10 retirement plan.

Or put 15 per cent of your earnings—up to \$1,500 a year—in an individual retirement account. If your company doesn't have a pension or profit plan.

Nelson. And the defense did an outstanding job. Altogether, the squad played 48 minutes of near-errorless football."

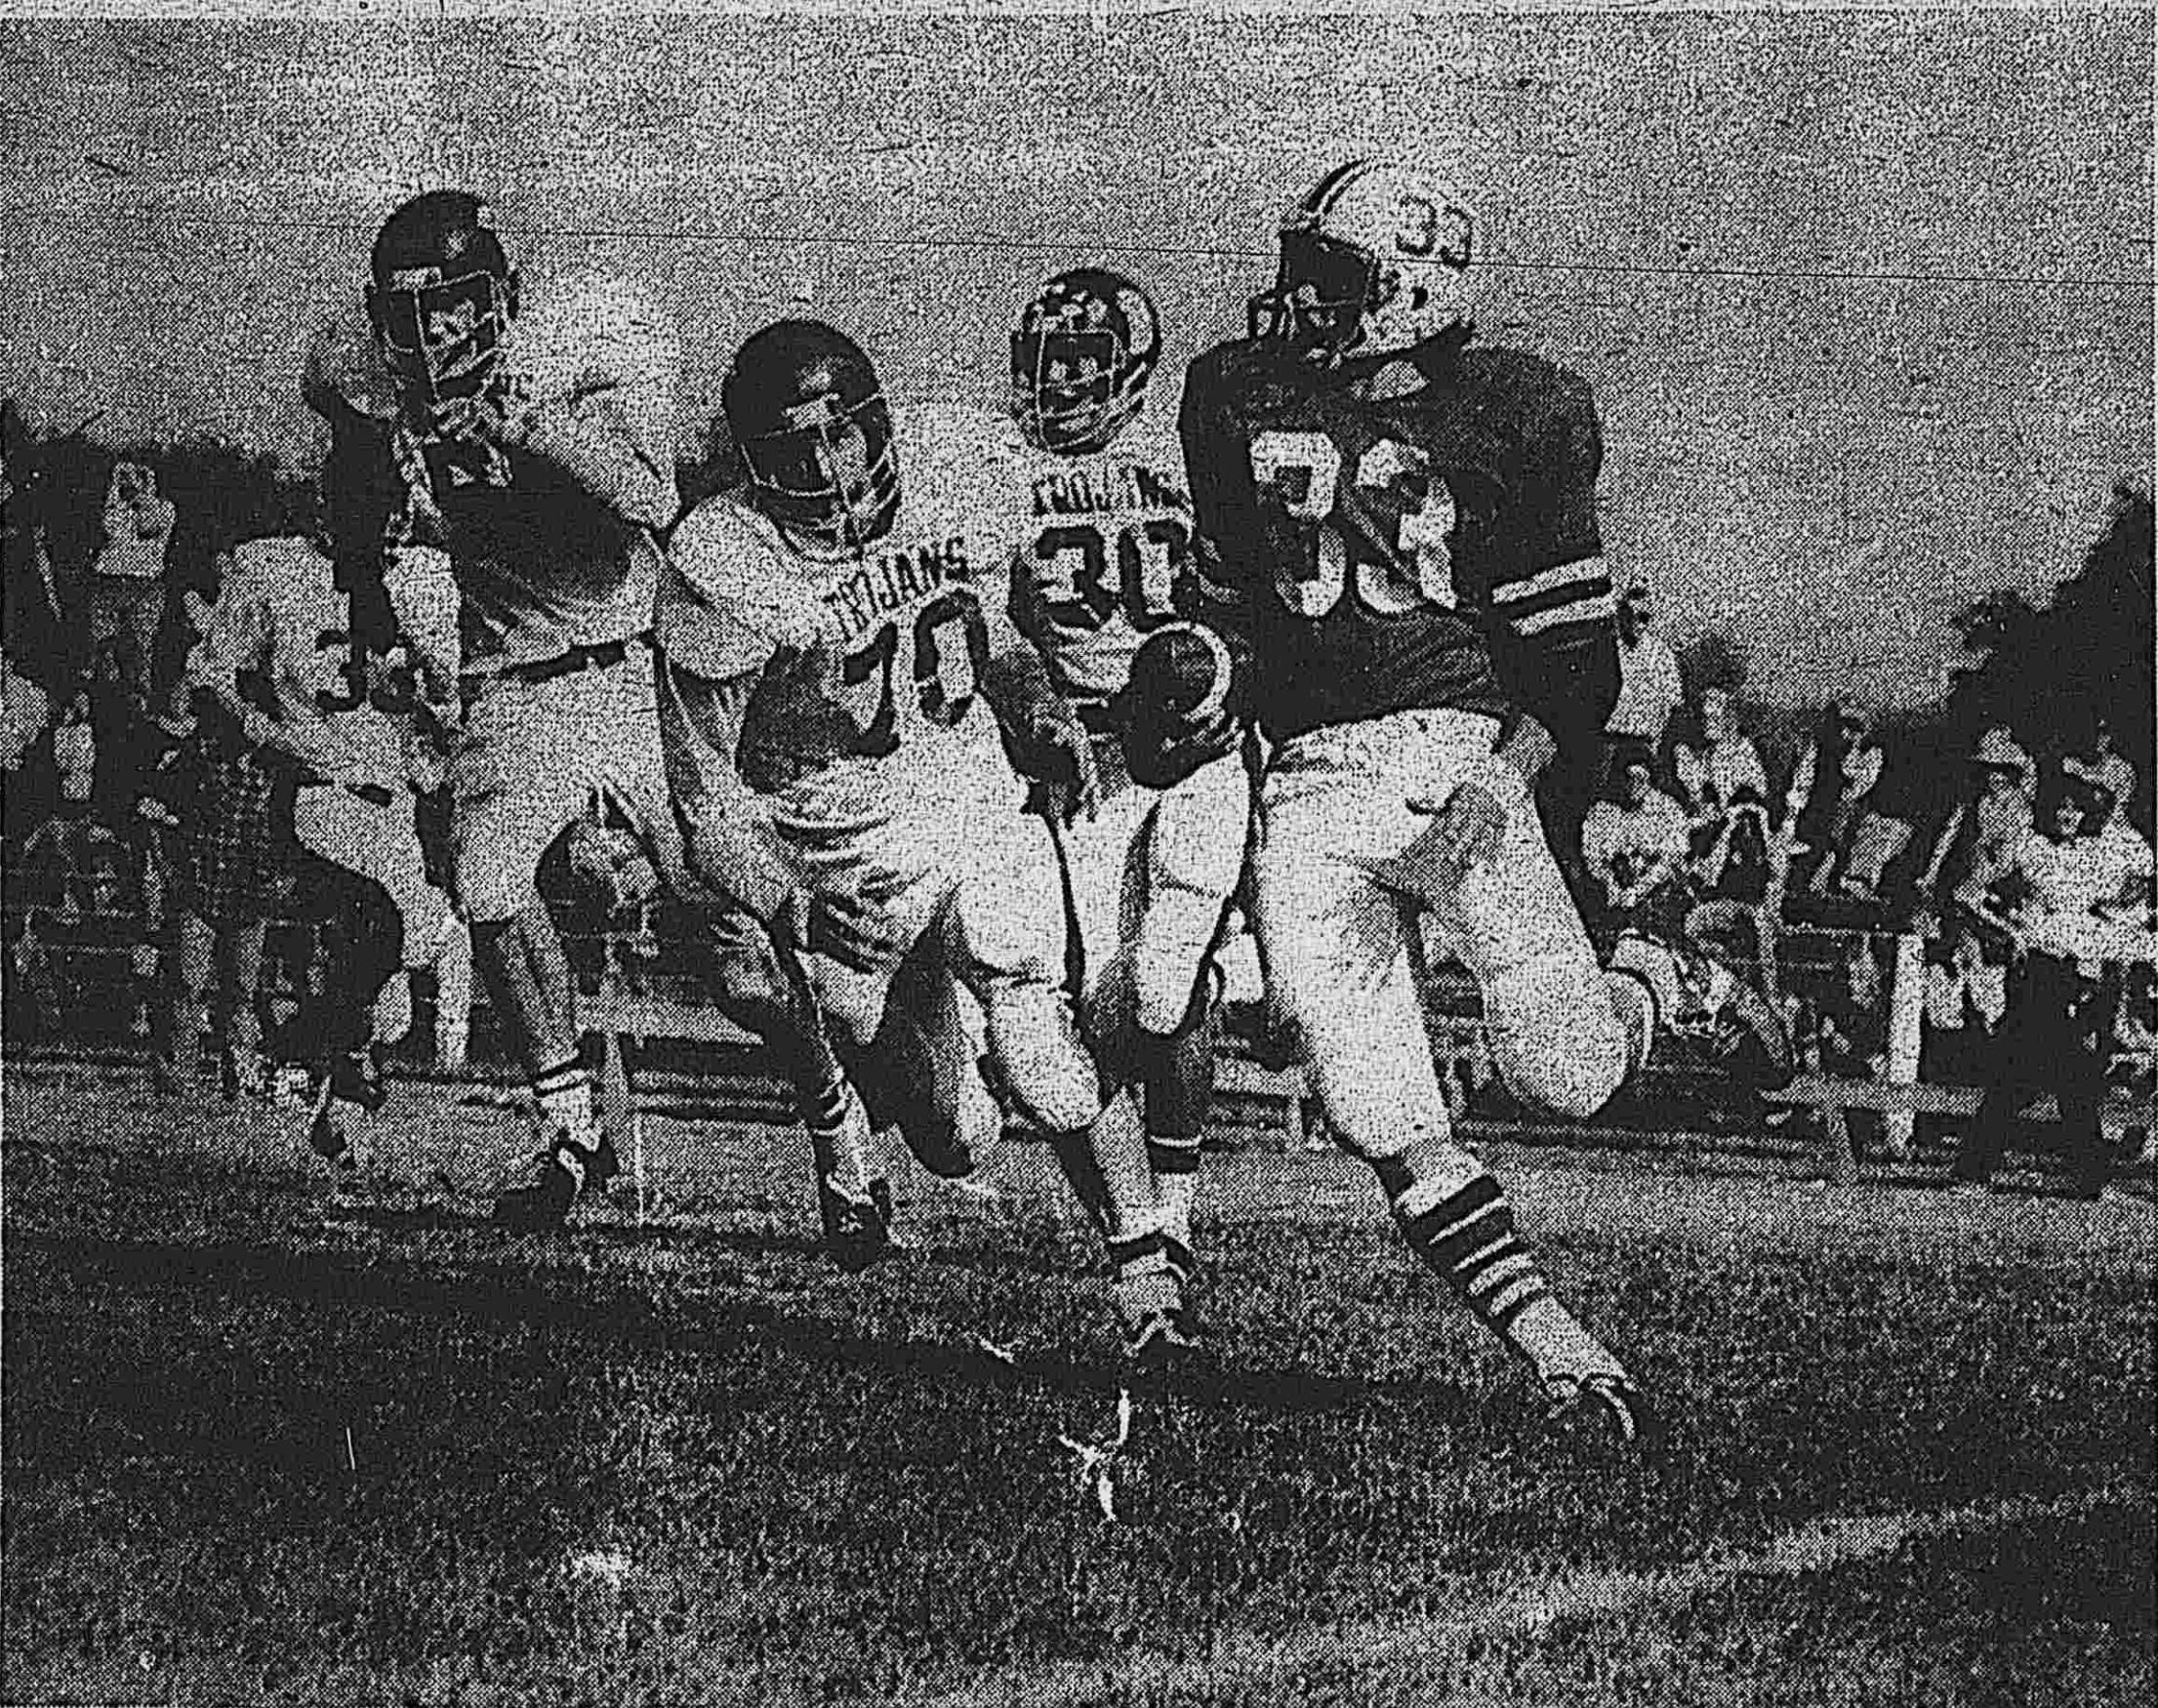

"One of the high points," the coach said, "was the blocked punt by Kakacek which resulted in our second touchdown."

In addition to Kakacek, Nelson singled out the defensive performances of Rick Dauck, Bill Nadlehofer, Don Norwick, Bruce Kecskemity and Dave Zitkus.

On offense, the standouts included Wallraf, Schreiber, Andrews, Rosenbrock, Moore and brothers Tim and Tom Huebner.

Nelson pointed out that Keith Evanson punted four times for an effective average of 37 yards a punt.

Woodstock is 4-0 and Antioch is 1-3. But Woodstock may have its hands full Friday night.

## Wedding Party Attends Final Wilmot Races

Stock car racing at the Kenosha County Speedway in Wilmot ended Saturday night for the 1976 season.

It ended with the speed, crashes, glamor and excitement that has surrounded this famous dirt oval for generations of fans.

It ended again with the flair of the "unexpected" that has been a part of the action that has attracted fans for a record 28 race nights this season.

IT ENDED for the super-modifieds that have been the main attraction at Wilmot since spectator-type cars first took off their fenders as Carmen Manzardo of Lindenhurst scored a second straight clean sweep of events.

It ended for the late model sportsman stock car drivers as Stan Horton, Hales Corners, won his second straight feature. Horton, a former Antioch resident who raced at Wilmot in the Super-modifieds up until 1973, was back for only the second time this season. However, Horton indicated he may be a Wilmot "regular" in 1977.

WILMOT HAS had a long history of the "unexpected" and the "unusual" and Saturday night was no exception. Not expected was the visit of a wedding party in complete formal attire. Jan Radon, a longtime Wilmot racing fan, and his wife (the former Kathy Hill) both of Pikeville, Ill., could not resist being a part of the season-closing ceremonies which gave fans a chance to drive their cars around the track in one last farewell to a fun-filled, exciting season. They delayed departure on their honeymoon just long enough to

stay through all of the races and did not even mind the dust kicked up by the speed demons as they raced "all out" for the final night.

Manzardo, who wound up the season third in point standings, might have been much closer to a championship if he had raced every night at Wilmot. Saturday night, he sliced his way rapidly through the largest field of the season to take the lead on the 9th lap and left no doubt as to the outcome by establishing a comfortable lead over the 21-car field.

Manzardo also set fast time at 18.5 seconds. Stan Horton set fast time for the late model sportsman stock cars but only managed a third place finish behind 1976 champion Ken Zeisse, Union Grove, in the fast heat race won by Don Walters, Hales Corners. Horton, however, came back to reverse that order in the feature for 15 laps and finished ahead of Zeisse, Hank Horvaka, Silver Lake, and Ralph Rau, Paddock Lake.

OTHER HEAT races were won by Don Collins, Antioch, in his Sandie's Rival car. He named that car accordingly when he lost a female companion who claimed he gave the car more time than he gave their romance. Collins is now hoping she will accept his full-time attention.

The 1977 season will start on Saturday night, Apr. 9. However, Toft Auto Racing at the Lake Geneva Raceway will continue Sunday afternoons for as long as weather permits.

The stock car auto racing awards party will be held Saturday night, Oct. 30, at the Wonder Bar Ballroom in Twin Lakes, Wis.

TRYING TO CATCH Wally Wallraf has been a tough task for Antioch High's football opponents this year. Here, the senior halfback sprints away from three Cary-Grove Trojans. Wallraf has gained 326 yards in Antioch's first four games, averaging more than six yards a carry.

Ralph Caffarella is one surprised fellow. In the past month, he has won three shotguns in local competition; however, only one has been awarded for his trap shooting ability.

Caffarella, who is a member of the Northern Illinois Conservation Club, won the 200-bird handicap event Sunday at the McHenry Gun Club.

Meanwhile, over at the Kodiak sports shop, he was winning another gun in a decoy-painting contest.

He bought one chance at the Lions' Club Safari Trap Shoot last month. You guessed it: he won a shotgun in the drawing.

**BLOCKED** — Two of Al Moore's kicks for extra points sailed through the uprights against Cary-Grove last Saturday, but this one was blocked by the chest of an opponent. No. 11, holding, is Tim Vander Meer. No. 23 at the right is Antioch's Kenn Rosenbrock.

## Bernie Gutowski Wins Top Prize

A week ago, 11-year-old Donna Gutowski won the \$15 first prize in the Antioch News' football contest.

This week, the winner is her dad, Bernie Gutowski, who picked Antioch to beat Cary-Grove by 12 points.

Antioch won last Saturday, 20-8. So Bernie wins a \$15 gift certificate at Four Squires clothing store.

GARY VOLING ALSO picked Antioch to win by 12. But, in the tie-breaker, Gary picked the Redskins to beat the Chicago Bears. Bernie picked the Bears, who won ... so Gary had to settle for the second prize ... a \$10 gift certificate at Swan's Liquors. (Not a bad second prize to settle for.)

Third place in last week's contest was a tie between Tim Vander Meer and Randy Mowen. Both picked Antioch over Cary-Grove by 13 points. But Tim picked the Bears while Randy predicted the Redskins would win ... so Tim wins the \$5 gift certificate at the Piggy Bank Discount Store.

Two others came close ... picking Antioch to beat Cary-Grove by 10 points. They were Ron Gossman and Shirley Gutowski, Bernie's wife.

ANOTHER CONTEST appears in today's Antioch News. It's easy. Just fill out the entry blank and tell us how Antioch is going to do in Friday night's 8 p.m. game at Woodstock. The tie-breaker is easy, too. How will the Bears do against the Minnesota Vikings?

Be sure to get your entries in before Friday night's 8 p.m. kickoff at Woodstock. There are five prizes this week instead of the usual three.

## Antioch's Golf Stars Keep Breaking 40

Antioch High's varsity golfers are having a super season.

They now have a 6-0 record in the conference and an 8-1 record overall.

And the junior varsity team has an identical record.

Both squads beat Jacobs, North Chicago and Stevenson last week.

Del Gorski was the medalist in a 13-stroke victory over Jacobs when he shot a 38. Pat Houghton, Keith Rezin and Steve Hartokolis all shot 40s.

Bob Sertic's 40 led the junior varsity to victory.

In the win over North Chicago, the weather was ideal and Antioch's four-man varsity total was only 151, compared to 180 for North Chicago. Gorski had a 37 while Rezin, Hartokolis and Sertic all shot 38s.

Chuck Gleason's 38 paced the junior varsity to an easy victory. Brad Masopust shot a 40.

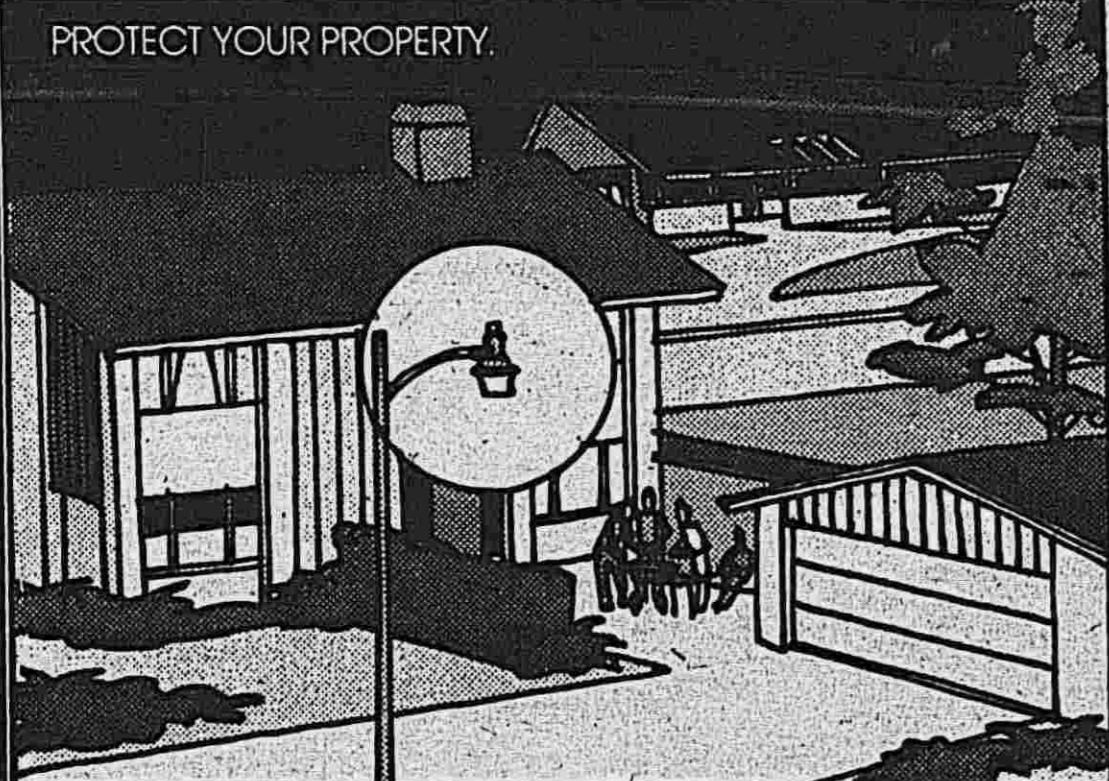

Beating Stevenson at Tally Ho Country Club, the Sequoits had a 159 total to their rivals' 173. Gorski again was medalist with a 37 and Rezin shot a 39.

This Saturday the Sequoits, coached by Mark Guthrie, will compete in the Lake Forest Invitational tournament at Lake Bluff Country Club.

## Apaches Open Season

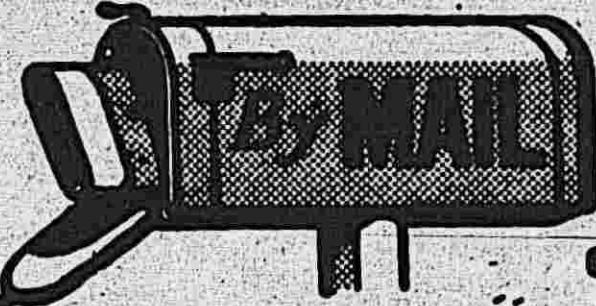

The Antioch Apaches boys softball team opened their season with a tough loss to Gavin. The Upper Grade School team scored one run in their half of the first inning, but Gavin came back with seven runs of their own.

The rest of the game featured good pitching and defense, as both teams were held scoreless. The most encouraging aspect of the game was that the Apache second string held Gavin scoreless for two innings.

The Apaches bounced back to win the second game, 5-2. Once again, the game featured good defense and great pitching by Mark Williams.

In their most impressive showing to date, the Apaches whipped Round Lake 12-4. Tony Rumps and David Dyer provided the extra base power, while Brad Herbst batted four for five.

## Power Pays Off

Bob Delaney, Lake Geneva, used his skill as a stock car driver and the greater power in his Ford Torino to win the 25-lap sportsman stock car feature as Sunday afternoon racing started at the Lake Geneva Raceway.

Earlier he set fast time of 18 seconds but missed the sweep of events when he managed only a close second

to 1976 sportsman champion, Fran Baumgartner, Genoa City.

Baumgartner finished second to Delaney in the feature followed by Stan Horton, Hales Corners.

Cal Clark won the 15-lap semi-feature and a heat race for 10 laps.

Racing will continue Sunday afternoon with the gates opening at 3 p.m., time trials at 4 and the first race at 5.
